Qualifications

I have 28 years of experience in the field of architecture and construction, including 17 years at a design-build firm as a project architect and network administrator.

Employment

*2002-2007 Owner, dbaArchitects (Corporate name: Steve Pribyl Architect, Inc.)*

dbaArchitects has designed a wide variety of projects including retail, hospitality, restaurants, developments, tenant improvements, and residential.

*1985-2002 Project Architect, Prats/Coffee Architects, Inc.*

Completed numerous commercial, retail, tenant improvements, and residential projects for a variety of clients in southern California, ranging from small residential additions to 40,000 s.f. warehouse adaptive reuse projects. I was responsible for all aspects of architecture design and documentation, as well as construction supervision with Prats/Coffee, Inc., a construction corporation.

*1983-1985 Architect, Ellen Christophe, Architect*

Retail, residential, and commercial projects including single-family dwellings, tenant improvements, and several franchise food establishments.

Education

*1978-1980 Bachelor of Architecture, Rice University*

*1978-1981 1974-1978 Bachelor of Arts in Architecture, Rice University*
